

Summer Interns

Due to increased growth we are inviting applications for 4 summer student positions

Research.bm, Bermuda's fastest growing research company, provides a full range of qualitative and quantitative research in all industry sectors. As Bermuda's only company dedicated solely to Market Research, Research.bm is the first to create a local call centre of fully trained, qualified interviewers with expertise in focus groups, one-on-ones, telephone polling, mail surveys, internet polls, intercept studies, mystery shopping and syndicated studies.

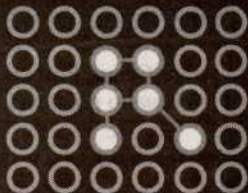

All positions report directly to the Office Manager.

Applicants must be well spoken, professional, interested in the Social Sciences, articulate and willing to learn.

NO PHONE CALLS PLEASE – written applications via **email ONLY**. A covering letter and resume should be sent to the attention of Ms. Tina Lima, Office Manager at tina@research.bm The covering letter should set out name, age, contact numbers, school you are attending, course you are enrolled in, and career goals.

Only Bermudians or Spouses of Bermudians need apply.

The closing date for applications is Tuesday, May 30th.
