

Research.bm invites applications for the positions of

Telephone Interviewers, Mystery Shoppers, and Focus Group Recruiters

Research.bm, Bermuda's fastest growing research company, provides a full range of qualitative and quantitative research in all industry sectors. As Bermuda's only company dedicated solely to Market Research, Research.bm is the first to create a local call centre of fully trained, qualified interviewers with expertise in focus groups, one-on-ones, telephone polling, mail surveys, internet polls, intercept studies, mystery shopping and syndicated studies.

All positions report directly to the Office Manager.

Successful candidates will work set shifts on an as-needed basis.

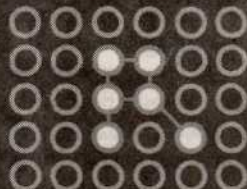

Applicants must possess the following:

- Pleasant, professional manner;
- Ability to secure and maintain cooperation of respondents;
- Fluid skill and clear articulation in reading and following an interview script;
- Attention to detail; and
- Familiarity with computers is a must.

No phone calls please – written applications via email ONLY. A covering letter and full resume should be sent to the attention of Ms. Tina Lima, Office Manager. tina@research.bm

Only Bermudians or Spouses of Bermudians need apply.

The closing date for applications is February 15th.
