

June 20, 2007

Dear Nosheen,

On behalf of the Ministry of The Environment, Telecommunications and E-Commerce, I wish to thank you for your time and personal commitment on the Steering Committee for TECHTIME. I trust you would agree that the month long TECHTIME initiative, for which TECHWEEK was a part, was both worthwhile and effective in reaching the broad community through a variety of initiatives.

We are happy to report that over 200 high school students attended various events during the week. To our delight, over 1200 entries were received for the daily TECHHUNT online scavenger hunt and a reported 350 people attended the various lunch and learn sessions held during the week. Feedback from participants of the events has been very favourable and we have identified ways to expand the reach even further next year.

Without you and your organizations support, the TECHTIME/TECHWEEK initiative would not have reached its full potential.

Again, thank you, we sincerely look forward to your continued support and partnership in our future technology programmes.

Sincerely yours,

The Hon. D. Neletha I. Butterfield, JP, MP  
Ministry of the Environment, Telecommunications and E-Commerce
